## Berks & Bucks Senior Cup, 4th Round

**Rivets**, Aylesbury's little works side from the Rothmans Hellenic League, had their hopes of another successful Berks and Bucks Senior Cup run ended by two decisive goals within a minute.

Both came from the experienced striker, Tony Horseman, as Wycombe, the cup holders, eased their way into the semi-finals.

Gallant Rivets, last year's beaten semi-finalists, certainly did not let their illustrious

opponents from the Rothmans Isthmian League have things all their own way.

After Wycombe had taken an early lead through Alexander, Rivets came back to equalise within a minute through the young Steve Hayward.

Horseman added Wycombe's second in the 18th minute, and then Holifield made it 3-1 with the simplest of chances.

Rivets, led by player/manager Dick Peel, shocked the Isthmian League champions with a 55th minute goal through Caro. But then

Horseman put the result beyond doubt with goals in the 61st and 62nd minutes.

First Turner, the Rivets' keeper, was left helpless when Horseman's shot spun off a defender's boot, then he completed his hat-trick with a speculative shot a minute later. Substitute Geoff Anthony scrambled in Wycombe's sixth.
